How to contact My Technical Support if something goes wrong...

If you do not receive the activation code, or if it says "product already registered", contact registration-inquiry@arturia.com quickly as possible.

2/ Download and install your product

First download the software from the URL address quoted in the e-mail you received. Prior to launching the installer make sure you turn off all applications using eLicenser (Steinberg and Arturia products).

How to contact My Technical Support if something goes wrong... If you encounter any issue at that stage, please write to registration-inguiry@arturia.com

3/ Activate your product with the Wizard

To activate your product, start the standalone version of one of the instrument included in the VCollection 3. If the product you launch was not authorized before, an activation wizard will open. Click on AUTHORIZE, then click NEXT. Paste your activation code and click on FINISH.

4/ Activate your product with eLicenser

Eichier Inscription Actions Support Aide

If you encounter an issue with the wizard, (which could hapen because of a bad connection), enter the code directly in the eLicenser Control Center application. See details here :
