

Import of the House Chords presets:

In order to import the House Chords presets, please take the following steps:

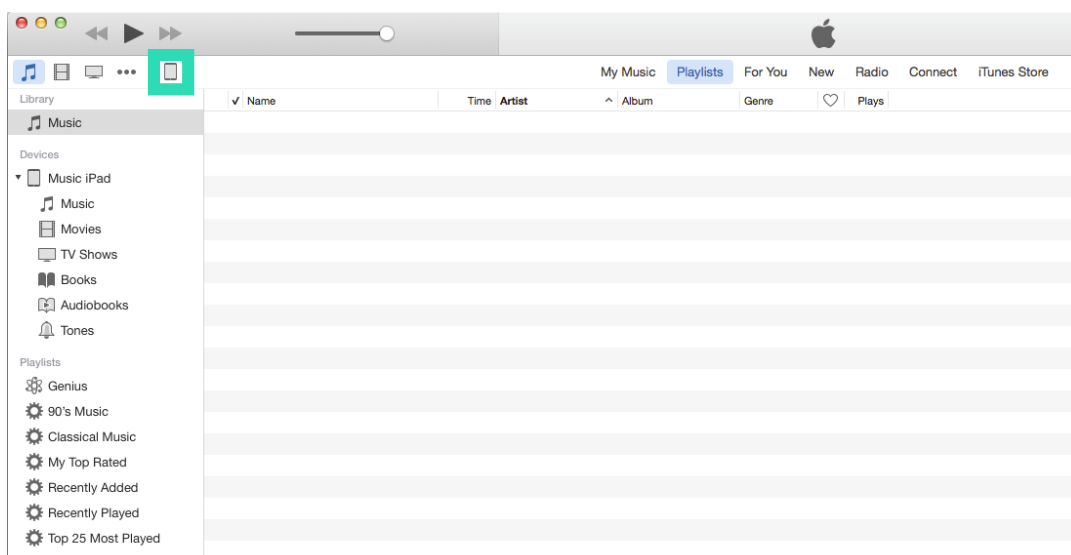

Mini V

- Open the Mini V.
- Click on the import button in the menu bar (see the picture below)
- Select the file "MiniV_HouseChordsBank.minibank"
- The presets are loaded and accessible through the preset selector.

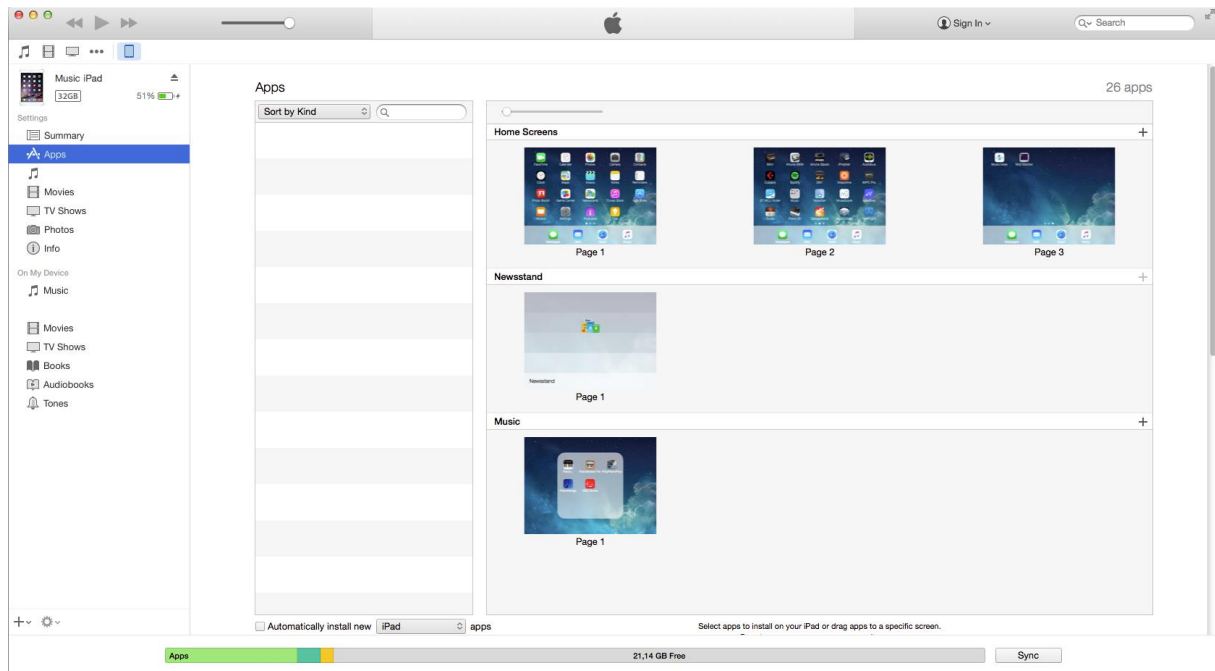

iMini

- Connect your iPad to your computer
- Open iTunes
- In iTunes, select the iPad in the top left corner to display the iPad page.

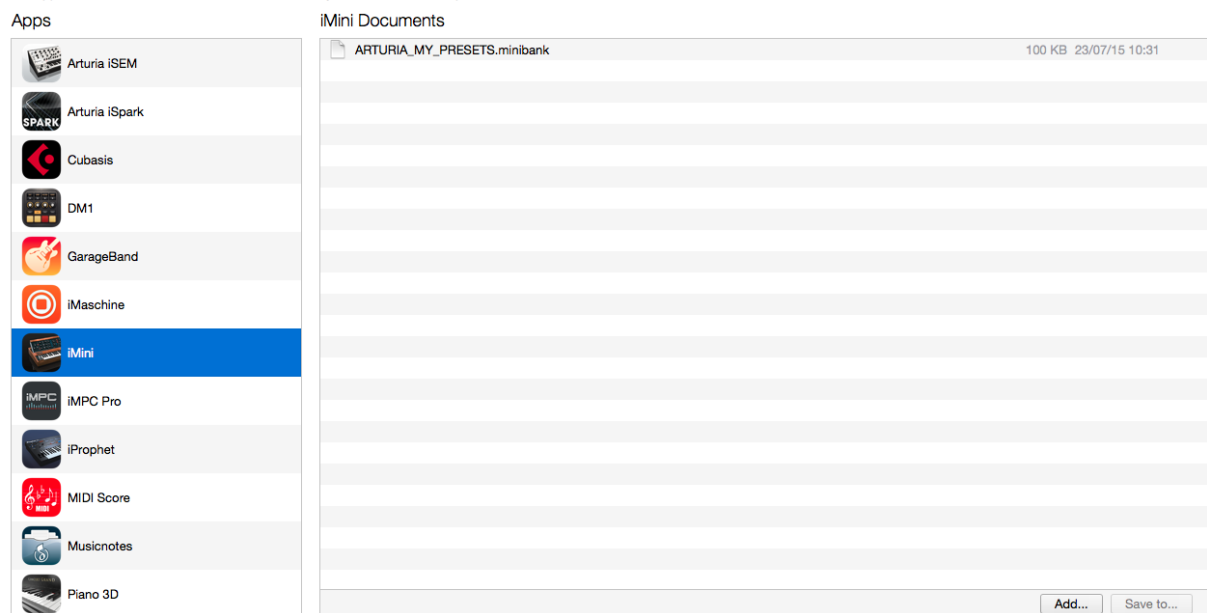

- In the iPad page, click on “Apps” in the vertical list on the left to display this screen.

- Scroll down to display the file sharing section and click on the iMini icon.

File Sharing

The apps listed below can transfer documents between your iPad and this computer.

- Then, click on the “Add...” button and select the file “MiniV_HouseChordsBank.minibank”
- The presets are loaded and accessible through the preset selector in iMini.

Credits

House Chords was carefully designed by Ambre Basuyaux and Victor Morello, our ‘in-house’ sound designers, and Naux, a local artist and electro music producer (<https://soundcloud.com/naux>).
